'Sally, please tell Debbie how impressed I was with her and that if she wasn't going home... with many thanks Sally for your energy and persistence in finding Nina.' (KD)

'Hi Rachel...I would like to thank you for all of your help, you have been brilliant and your service excellent- the other agencies I have worked with are not a patch on your attitude.' (JT)

'Thanks for all of your help. We are so pleased with the way everything has worked out and cannot recommend you enough. We were really pleased with KiwiOz Nannies- the fact that you were always extremely good at returning our calls and always gave great advice meant that we never had to look anywhere else.' (SR)

'Hi Amber...Thanks so much for your great work, professional approach and the speed at which you turned this job over has been noted. Will be recommending kiwioz to friends.' (AA, Kensington)

'Dear Rachel, I just wanted to say thankyou to you and Elly for all of your help in finding us a nanny. You were a pleasure to deal with- all of your staff were incredibly helpful, polite and friendly. You all got just the right balance between trying to move things forward and sensitivity to a new mums limited time and ability to take calls and action things!

You also spent time really finding out my requirements and presenting me with good candidates. I hope not to deal with you again too soon(!) but I will recommend you to people. I have dealt with a few nanny agencies and you are by far the best in all aspects- your service, your staff and your nannies. Thanks again for all of the info on OFSTED, NI and insurance- really helpful. All the best.' (TW, West London)

'Dear KiwiOz Team, Thank you so much for your help in finding us a new nanny. I received an excellent service which takes the pain away!' (GS, South London)

'As I mentioned on the phone the other day I just wanted to let you know what great service we feel you have offered us on our recent search. In direct comparison all of the other nanny agencies have been very weak and unhelpful. Well done and I hope Lilly works out for us ! Many thanks,' (SW, Wandsworth)

'Thank you so much for your excellent work in finding us Deborah. We greatly appreciate the effort you put into securing us a nanny in time for the start of the school year. I know that getting the right person for a part time post is not easy and it was great to know you had a lot of good people on your books for us to meet. Best wishes for the future of your business. I have recommended you to several families and nannies already.' (KH-W)

'Just to say thank you for all your help, great services and most of all putting us in touch with Claire. She's great! Good luck and keep up the good work.' (DB)

'Thank you for your help and prompt response- several other agencies I e-mailed still haven't yet got back to me!' (IH)

'Hi Claire, Thanks again so much for your help. Must say you are by far the best agency I have worked with both in terms of quality of candidates and the interactions with you at the agency! Thanks so much and talk soon!' (CO)

'Dear Amber, Everything is going extremely well with Kathleen and we're really grateful to you for finding her for us. Best wishes' (DW)

I also wanted to thank you for finding Sarah for us. She has been a truly fantastic nanny and has done a great job and I just wish I needed a new nanny. I would strongly recommend her and she settled in so quickly so would be ideal for any of your other clients who needed someone to hit the ground running in a temp role and I am sure they would be as pleased with you as I am for finding someone like Sarah! With kind regards, Katie

'Dear Rachel, Amber, Elly and Nicky, Just a short note to thank you all at KiwiOz for helping me find each of my three nanny positions here in London. Without a doubt you are the best agency (and the most helpful) I have joined whilst living here. I have recommended you to families and friends alike- keep up the fantastic work! Best wishes' (MF)

'Thank you so much for your help, I'm glad I signed up with you and would recommend you to anyone after nanny work! Talk soon. (SH)'

'I just wanted to say thank you ever so much for your support and assistance. I was only on your books for 1 week and went for two interviews and got the job. A fantastic result. Emma said that she liked all the girls that you put forward. She interviewed 25 people and was with 6 agencies. Well done to KiwiOz.' (LS)
