

Babysitters

KiwiOz offers a popular babysitting service to our London clients.

Our sitters

- Our sitters are experienced nannies, teachers and child carers
- Whenever possible we will source a local sitter for you
- For repeat bookings we will always try your preferred sitter first
- All KiwiOz sitters have a clear police check or CRB issued within the last 12 months
- We verify a minimum of three references for every sitter we use

How does it work?

- To guarantee a sitter bookings must be made at least one business day in advance
- You will receive the full profile of the sitter confirmed including CV, photo and references so you know what to expect at the door
- There is a minimum booking time of 4 hours per evening
- Most bookings will start from 7pm, but with prior arrangement your sitter may be able to start earlier

On the night

- Babysitters charge a flat rate of £8nph
- Please pay the babysitter directly at the end of the evening
- If after 11pm please contribute to the cost of transport home for the sitter
